

Declaration of conformity
No. CON-DRS-20250207

Kaunas, 2025-02-07

1. **Unique identification code of the product type:**
DRS
2. **Type, lot or serial number or any other element by which the construction product can be identified:**
DRS 125, DRS 100, DRS 2x75, DRS 3x75
3. **The technical specification applies to the construction product:**
LST EN 13142:2021
4. **Purpose or purposes of use of the construction product intended by the manufacturer according to the applicable technical specification:**
Frameless air diffuser suitable for installation in stretch ceiling. Designed for low or medium pressure ventilation and air conditioning systems for air supply and extraction.
5. **Manufacturer's name, registered trade name or registered trademark and manufacturer's contact address:**
Registered trademark – Conceiling
MB „Klimato sprendimai“, Draugystės g. 17-1, LT-51229, Kaunas, Lithuania
6. **When applicable, the name and address of the authorized representative to whom the powers have been granted are set out in Article 18, Part 15 of the Construction Law of the Republic of Lithuania:**
Not applicable
7. **The system or systems for assessing and checking the constancy of the performance properties of the construction product, as determined in Chapter V of this Regulation:**
System 4 – the manufacturer assesses the performance of the construction product based on tests, calculations, tabulated values or descriptive documentation for that product; carries out internal production control
8. **Name of certification body or testing laboratory:**
MB „Klimato sprendimai“, Draugystės g. 17-1, LT-51229, Kaunas, Lithuania
9. **Name of the technical evaluation institution:**
Not applicable
10. **Declared performance characteristics:**
Variable airflow up to the maximum recommended 90 m³/h, noise emission <25 dB(A), system pressure difference <35 Pa.
11. **The performance characteristics of the product specified in points 1 and 2 correspond to the performance characteristics declared in point 10. This declaration of performance is issued solely under the responsibility of the manufacturer specified in point 5.**

CEO
Giedrius Virgilijus Venckevičius

Direktorius
Giedrius V. Venckevičius

The declaration is valid until significant changes are made to the technical specifications, the manufacturer's production conditions or the production control systems.
